WHIDBEY ISLAND INSIGHTS **NEWS & STORIES**

Our CEO's Message

Dear HMC Residents,
I am honored and humbled to be a part of the Hunt Military Communities' family. As the new CEO, I look forward to continuing with the company vision of providing 5-Star Service and excellence in housing. As a former Marine, I understand first-hand the challenges service members and their families face when moving to a new community and the importance of providing quality housing.

Over the next several months, I will be visiting many of our HMC communities with the intention of meeting residents, touring homes, and looking for ways to make your living experience the very best it can be. I will tirelessly search for ways Hunt Military Communities can improve our service delivery and homes to enrich the lives of our residents. Our nation's military service members became my heroes after two combat tours in the Marine Corps, and I greatly look forward to serving our military families. As always, we want your feedback, and our Hunt Promise Helpline (<https://www.huntmilitarycommunities.com/contact-us>) provides an easy way for you to share your feedback or address concerns that have not been appropriately tended to at the site level. Transparency and open communication will help HMC to provide you great service.

Best,

Brian Stann, CEO
Hunt Military Communities

IS GOING "PAY" PERLESS!

Hunt Resident App • Hunt Resident Portal • WIPS Walk In Payment System
The Safe, Secure, and Seamless way to make payments.

HMC is going "PAY" PERLESS!

Hunt Military Communities is pleased to announce effective September 1, 2021, we will be transitioning to electronic payments only. Utilizing electronic payment options provides the convenience of making payments anytime from your fingertips, payments post directly and immediately to your account, the ability to set up recurring payments, and no additional fees for direct bank account payments. For our residents who do not already utilize our electronic payment methods, the transition is simple and there are multiple payment options available to fit everyone's preference. Please remember those who currently pay rent via allotment will continue to do so.

Say goodbye to paper payments and say hello to the safe, secure, and seamless way to make payments! We look forward to simplifying the payment process and provide you the peace of mind that comes with electronic payments. Please reach out to your management office if you have any questions or need assistance setting up your electronic payments.

Summer Safety Tips

Eat Healthy Take advantage of summer's fruit and veggie bounty.

Drink Water

Water is a natural, healthy and sugar-free way to stay hydrated.

Move More

Kids need at least 60 minutes of physical activity per day and adults need at least 30 minutes to stay healthy.

Be Food Safe

Regularly wash hands with soap and water; separate cooking surfaces to keep raw seafood, meat and poultry away from fresh produce.

Protect from the Sun

Whether you're going for a short walk or spending a day at the beach, be smart and lather up with SPF 30 or higher.

Easy Summer Recipes

Cheesy Keto Pizza Cups

Recipe courtesy of Carlene Thomas, RDN - Eat This, Not That!

INGREDIENTS:

- 1 oz full fat cream cheese
- 1 1/2 cups hand-grated whole milk mozzarella cheese
- 1 large egg, beaten
- 1 cup Bob's Red Mill almond flour
- 2 Tbsp Bob's Red Mill coconut flour
- 1/3 cup Rao's pizza sauce
- 1/3 cup shredded cheddar cheese
- 1/8 cup mini pepperoni slices

DIRECTIONS:

1. Preheat the oven to 400 degrees.
2. In a large microwave-safe bowl, combine the cream cheese and mozzarella and microwave for 1 minute, stopping several times to stir. Add in the beaten egg, and quickly stir until a ball is formed. Knead by hand, adding additional almond flour if needed, until lightly sticky.
3. Divide the dough into 8 pieces. Set a piece between two sheets of greased parchment paper and roll out with a rolling pin. Repeat with the rest, then press each piece of dough into greased muffin tins to form small dough cups.
4. Bake for 15 minutes until golden brown. Remove from oven and top each with sauce, cheddar, and pepperoni. Return to oven for five minutes until the cheese melts.
5. Remove from muffin tins and serve.

Three Easy and Fun Pinwheels

Recipe courtesy of Nick - Cooking With Confidence - Macheesmo

Hummus Spinach Pinwheels

- 4 medium flour tortillas
- 1 cup O Organics hummus
- 2 cups O Organics baby spinach

Spread ingredients on flour tortillas. Roll into tight pinwheels and cut into slices.

Guac and Cheese Pinwheels

- 4 medium flour tortillas
- 8 oz Signature Cafe Hatch Chili Guacamole
- 1 cup O Organics Mexican Cheese

Spread ingredients on flour tortillas. Roll into tight pinwheels and cut into slices.

Peanut Butter & Jelly Pinwheels

- 4 medium flour tortillas
- 1 cup O Organics peanut butter
- 1 cup O Organics Strawberry preserves

Spread ingredients on flour tortillas. Roll into tight pinwheels and cut into slices.

Meter Upgrade Project

Upcoming Utility Infrastructure Upgrade Project

As part of our ongoing community improvement efforts, a project to upgrade the utility infrastructure will take place in your community. Beginning in Fall 2021 the electric and gas meters will be upgraded. Below are answers to some questions you may have.

Q: Why is Hunt installing the utility infrastructure and not the Navy or the local provider?

A: Some of our homes do have provider maintained meter equipment. However a majority of our homes have utilities provided directly from the Navy. In these locations Hunt owns and maintains the metering equipment on the individual homes. We use this equipment to gather data for utility billing, business decision making, and planning of future energy efficiency projects.

Q: What are the benefits of doing this project?

A: This new system will bring the Hunt owned utility infrastructure up to date with current technology that will provide more reliability, sustainability, and resiliency. New equipment will require less maintenance in the first several years, meaning less entry into your home to maintain this equipment. Upgrading the system allows for additional data gathering. Additional data will enhance our ability to promote conservation and locate energy efficiency opportunities.

Q: Will you be entering every home?

A: No. Only homes with Hunt owned utility metering equipment will take part in the upgrade. Any homes with utility provider meter equipment will not be part of this project. Some homes will not require entry as all work can be done from the exterior. Our individual installation notice will provide the individual impact to your home.

Q: Will there be a power outage during the project?

A: During the installation day, there may be a period you are without power. We will provide you advanced notice and knock on your door prior to turning off the power so you are aware of the outage. The outage should only be for your unit or building while we do the work. Gas should not need to be turned off during this project.

Q: What will I need to do to prepare for the installation?

A: Please ensure all areas surrounding your meter are clear of obstructions before your installation date, especially areas surrounding interior meters. If your notice states electricity will be turned off during your installation, please plan accordingly. Any pets are to be kenneled or safely secured in another room of your home if we require entry. We will not be scheduling appointments. If you have special circumstances, please contact your Neighborhood Management Office to discuss your options. During the installation, keep yourself and your family away from work areas for your safety.

Once the schedule is set, you will receive an individual notification if we will be working at or entering your home. We are excited to complete this upgrade and appreciate your cooperation as we are in your neighborhood and home. Please refer any questions to your local Neighborhood Management Office.

ANNOUNCEMENTS

Advanced Power Strips - Available NOW

Reduces Energy Consumption / Best for TV or PC Setup / No Charge / Free Resources and Training / Savings Benefit the Community. See attached flyer for more information on how to receive your FREE advanced power strip.

SATISFACTS SURVEY RAFFLE

After any appointment with our staff (work order, move-in, pre-inspection or final), please take a moment to give us your feedback! Complete the Satisfacts survey for a chance to WIN A GIFT BASKET filled with wonderful items from our community.

Complete the survey for a chance to WIN A GIFT BASKET!

MAINTENANCE CORNER

Air Filters/Furnace - Check your filter monthly. Your central heating unit works hard to push air throughout your house. By changing your filters on a regular basis, you help the unit operate efficiently and effectively. We change them quarterly for you. Visit our self help section in our Maintenance Shop if you would like to change them monthly. Please remember to periodically run/check your furnace and ensure that it is working properly before seasonal changes begin. Contact maintenance with any issues that may be occurring.

Self-Maintained Flowerbeds - Summer temperatures have allowed many residents the opportunity to start yard/flowerbed upkeep. If you opted to maintain your flowerbed at the time of lease signing, please remember it is your responsibility to maintain the condition of the landscaping at your home.

Watering Lawns - Residents are responsible for watering the lawn (front and back) and flowerbed areas. If your home has an automated irrigation system, your front lawn and flowerbed will be watered on a scheduled. Do NOT over water your lawn and/or flowerbed.

Self-Service Options - Our maintenance department has a few self-service options to help maintain your home and lawn care. Mowers and weed eaters are available to loan out, as well as long dusting poles to clear debris from the exterior of your home. Please give maintenance a call to inquire about self-service availability of any item.

FRIENDLY REMINDERS

BBQ Grills - Outdoor grills are permitted only outside the home no closer than ten-feet to the house or fence. Barbecue grills should not be left unattended when in use or while still hot. Cooking food in the front yard or on covered patios using hibachis, grills, etc. is prohibited.

Pools/Bounce Houses/Trampolines - NO swimming pools or hot tubs are allowed on property. Wading pools are allowed and must be emptied and put away daily. Wading pools are only allowed in the backyard. Bounce houses are permitted and must be taken down and put away on a daily basis. Trampolines are NOT permitted on resident premises.

RVs/Utility Trailers/Boats - Recreational vehicles, campers, trailers, boats, etc. are not permitted to be parked in the neighborhoods at any time. However, such vehicles may be parked within the confines of the garage of the premises. Please refer to the Community Handbook for more information.

that would like to get involved and be an active
voice for the community.

If you interested in being a voice for the community contact the Management Office at:

360.679.4241 • NorthSoundRSO@huntcompanies.com

Mosquito Bite Prevention

Protect yourself and your family from mosquito bites

Use insect repellent

When used as directed, EPA-registered insect repellents are proven safe and effective, even for pregnant and breastfeeding women.

- Always follow the product label instructions.
- Reapply insect repellent every few hours, depending on which product and strength you choose.
 - » Do not spray repellent on the skin under clothing.
 - » If you are also using sunscreen, apply sunscreen first and insect repellent second.

Natural insect repellents (repellents not registered with EPA)

- The effectiveness of non-EPA registered insect repellents, including some natural repellents, is not known.
- When used as directed, EPA-registered insect repellents are proven safe and effective. For more information: www2.epa.gov/insect-repellents

If you have a baby or child

- Do not use insect repellent on babies younger than 2 months of age.
- Dress your child in clothing that covers arms and legs, or
- Do not apply insect repellent onto a child's hands, eyes, mouth, and cut or irritated skin.
 - » Adults: Spray insect repellent onto your hands and then apply to a child's face.
- Do not use products containing oil of lemon eucalyptus (OLE) or para-menthenediol (PMD) on children under 3 years of age.

Mosquito-proof your home

- Use screens on windows and doors. Repair holes in screens to keep mosquitoes outside.
- Keep mosquitoes from laying eggs in and near standing water.
 - » Once a week, empty and scrub, turn over, cover, or throw out items that hold water, such as pet bowls, tarps, tires, buckets, planters, toys, pools, birdbaths, flowerpots, or trash containers. Check inside and outside your home.

HUNT HEART PROGRAM

SPOUSAL OUTREACH SUPPORT

Life as a military spouse has its own challenges, but deployment brings on additional challenges for the spouse who cares for the home. Today's military families may be faced with multiple deployments or have to leave home for extended periods of training and the spouse who stays home shoulders the responsibility of maintaining the home life, and caring for children and pets, often while supporting a career. Spouses of deployed service members are faced with fulfilling the roles of both parents while bearing the emotional load of concern about the safety of the deployed spouse and the risk they face abroad.

Hunt recognizes these challenges and cares about our service members and their families. This is why we have established the **Hunt Heart Spousal Outreach Support (SOS) Program** for our resident families during a time when the spouse is deployed or away from home.

The **Spousal Outreach Support (SOS) Program** is backed by a team of caring individuals whose goal is to make life a little bit easier and bring smiles to the faces of family members while the service member is not there.

QUALIFICATIONS

Any resident with a spouse who is deployed, will be deploying or will be leaving for an extended period of time qualifies to be in the Hunt Heart Spousal Outreach Support Program (SOS).

ENROLLMENT

Residents who want to be considered for the SOS Program should contact the leasing office for enrollment. You will need a copy of your orders and a Power of Attorney to get started.

The **SOS Program** serves as an added bonus to living at a Hunt military community by providing deployed or absent service members peace of mind knowing that their loved ones will always have someone to contact for assistance while they are away.

SPOUSAL OUTREACH SUPPORT (SOS) BENEFITS:

- Maintenance Plus
- SOS Days
- SOS Resources

SOS MAINTENANCE PLUS

Maintenance Plus is designed to assist families with tasks that are traditionally done by the absent family member. Services provided are in addition to the 24 Hour Emergency and routine maintenance services that are already provided.

Services may include but are not limited to:

- Assistance with hanging pictures
- Assembling bikes and toys
- Changing light bulbs or moving furniture
- Mowing lawns
- Putting up or taking down Christmas decorations
- Grass cutting
- Weed removal from flowerbeds
- Shoveled sidewalks during snow events
- Box and packing material up

SOS DAYS

SOS Days are special events and days of family oriented activities dedicated to family of absent or deployed spouses.

SOS RESOURCES

SOS Resources are provided to assist our families in preparing and planning for deployment.

There are many decisions that have been made prior to deployment and preparing for deployment and preparing for deployment is paramount to family well-being.

WHERE DOES YOUR BAH WITH HUNT MILITARY COMMUNITIES GO?

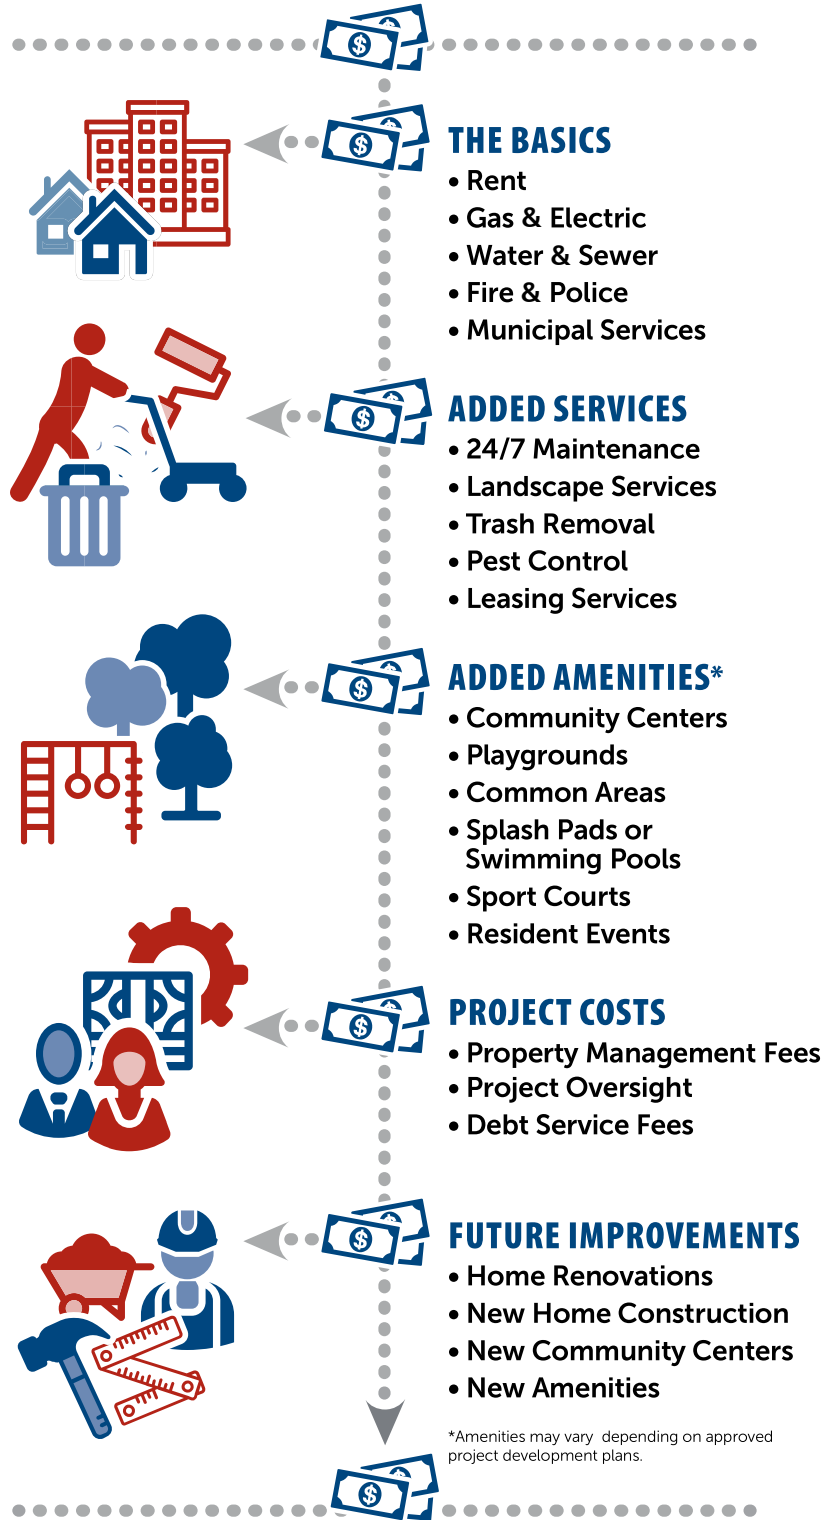

Your Basic Allowance for Housing (BAH) is the stipend the Department of Defense allocates for you to pay for the majority of rent and utilities.

HuntMilitaryCommunities.com

Your BAH with Hunt Military Communities Includes:

BAH funds are reinvested back into the project for current and future service members' needs.

ADVANCED POWER STRIP GIVEAWAY

Why should I be interested in an Advanced Power Strip (APS)?

**Reduces Energy Consumption | Best for TV or PC Setup
No Charge | Free Resources/Training | Savings Benefit the Community**

Available July 1, 2021

Pacific Northwest Communities has partnered with the local electric provider in your neighborhood to provide a **FREE** Advanced Power Strip for each home in their coverage area. Not only do we want to do our part in promoting conservation, but we want to help you to do so and save energy in your neighborhood.

HOW CAN I GET AN ADVANCED POWER STRIP FOR MY HOME?

1. Contact your local Neighborhood Management Office to determine if you qualify & make arrangements to get your power strip.
2. An acknowledgment form will need to be signed so the provider knows you accepted the power strip.
3. Resources will be provided with your power strip to help you understand the equipment and set it up correctly.

We appreciate your support of this initiative and in proactively taking action to conserve energy!
