

COMMUNITY DIRECTOR UPDATE AUGUST 1, 2026

COMMUNITY NEWS

Please help keep our community safe by driving carefully through our neighborhoods and surrounding roads.

As we enjoy the beautiful weather, more families, children, and neighbors are spending time outdoors. We encourage everyone to slow down, obey posted speed limits, remain alert for pedestrians, and practice courtesy while traveling throughout the community.

Our landscaping team is on-site each week, working hard to maintain the beauty of our community. To help them work efficiently and safely, please keep all personal belongings and other items clear of front yards and landscaped areas.

Need a little help with lawn maintenance? Residents may borrow electric lawn mowers and weed eaters free of charge from our Self-Help Store, located in the Maintenance Shop. Open Monday through Friday from 1:00 PM to 5:00 PM.

Thank you for helping keep our community safe, beautiful, and welcoming for everyone!

TEAM UPDATES

Meet Dennis Romano, one of our Maintenance Technicians!

Dennis enjoys spending his weekends creating projects in his workshop, watching DIY videos, and making memories with his family. As a 23-year Navy veteran, he finds it especially rewarding to continue serving the military community by helping service members and their families keep their homes safe, functional, and comfortable.
